JUDGMENT

The prayer in this writ petition is to direct the first respondent to consider and pass orders on Ext.P3. It is the contention of the petitioner that as rice was not supplied by the respondents, petitioner had to compensate the workers engaged for construction of a drain which work was entrusted to the petitioner by the second respondent. According to him, despite this, deduction was made from the final bill on the basis that rice was supplied. It is seeking rectification of the said mistake that the said Ext.P3 representation has been made to the first respondent and the same is pending.

2. In view of the above, I dispose of this writ petition directing the first respondent to consider and pass appropriate orders on Ext.P3 as expeditiously as possible, if Ext.P3 has been received and the same is pending.

ANTONY DOMINIC
